Abundance & Wealth

Pyrite

Often called “Fool’s Gold”, Pyrite is far from foolish. It is a powerful stone for prosperity, wealth, and shielding against negativity. In numerology, it resonates strongly with the vibration of number 8, symbolizing power, authority, and financial success.

Luck & Prosperity

Green Aventurine

Often called the “Stone of Opportunity,” Green Aventurine attracts abundance and success. In numerology, it resonates well with those aligned with new beginnings and growth (often linked to the number 1).

Harmony & Healing

Green Jade

**A timeless crystal for
peace and well-being,
Green Jade invites
harmony in
relationships and life.
It pairs beautifully
with the numerology
of number 2, which
emphasizes balance
and partnerships**

Protection & Grounding

Black Tourmaline

This powerful shield crystal guards against negative energy. It's perfect for sensitive life path numbers (like 7 or 11), helping them stay grounded and secure.

Amplification & Clarity

Clear
Quartz

Known as the “Master Healer,” White Quartz amplifies intentions and harmonizes other crystals. It’s universal and resonates with all numbers, enhancing their natural qualities.

Love & Compassion

Rose
Quartz

The crystal of
unconditional love, Rose
Quartz nurtures self-
love, compassion, and
emotional healing. It
connects beautifully
with the numerology
number 6, the number of
love and responsibility.

Intuition & Spiritual Growth

Amethyst

**Amethyst is perfect
for calming the mind
and deepening
intuition. It resonates
with number 7, the
seeker of wisdom,
supporting meditation
and higher awareness.**

Joy & Abundance

Citrine

A crystal of sunshine and positivity, Citrine helps manifest wealth and creativity. It connects with number 3, encouraging self-expression and optimism.

Energy & Motivation

Carnelian

**Red Carnelian is
fiery and uplifting,
sparking creativity,
confidence, and
courage. It aligns
with the passion and
drive often linked to
numerology number
1.**

Strength & Stability

Red
Jasper

**Known as the “Stone of
Endurance,” Red Jasper
grounds energy and
boosts determination. It
resonates with number
8, the number of
strength, authority, and
long-term success.**

Confidence & Self Esteem

Tiger Eye

**Known as the stone of
courage, Tiger's Eye
balances practicality
with willpower. It
strengthens focus and
determination, making it
perfect for life path
numbers seeking
direction and ambition.**
